Organizer: INSTITUTION OF ELECTRONICS & TELECOMMUNICATION ENGINEERS & INDIAN SOCIETY FOR VLSI EDUCATION

Dear Sir/Madam,

We are glad to inform you that IETE & ISVE Ranchi Centre is organizing two days 3rd International Conference on Nanoelectronics, Circuits & Communication Systems (NCCS-2017) on 11-12th Nov-2017 at ARTTC, BSNL near Jumar River, Hazaribag Road, Ranchi.

Prospective authors are invited to submit full papers describing original, previously unpublished, complete work (not currently under review by any another conference/journal) up to six pages in IEEE double column format including figure, results and references. All papers send on conference e-mail: nccs.2017.02@gmail.com, iete.isve.vlsi@gmail.com, admin@isve.in, admin@ieteranchi.org . Papers will be accepted in word format only. The accepted papers will be published in conference proceedings by reputed international publisher Springer with ISBN number and extended versions of papers will be published in SCOPUS, SCI and some other indexed journals. (Name of Journals: 1-IETE Journal of Research (http://mc.manuscriptcentral.com/tijr), 2-IETE Technical Review, 3- JOLPE, 4-IETE Journal of Education, 5-Microsystem Technologies, 6-Analog Integrated Circuits and Signal Processing, 7- IJCA, 8-TELKOMNIKA, etc ).

NCCS-2017 will includes oral sessions and poster sessions, tutorials, invited talks, keynote address by renowned Scientists, Professors and Industry persons from India and Abroad on topics related to the conference. Original theoretical, practical, experimental, simulations, development, application, measurement, and testing based papers are invited for presentation in the conference. All submitted papers will go through rigorous plagiarism checking, language checking by expert’s reviewers. Details review comments will be sending to communicating authors in the form of Accepted, Accepted with changes, and rejected.

About NCCS-2015: 1st International Conference on Nanoelectronics, Circuits & Communication Systems (NCCS-2015) has been organized by ISVE & IETE at ARTTC BSNL Ranchi on 9-10th May-2015. A list of peer reviewed and plagiarism free papers have been accepted & published in SCOPUS book series LNEE (Lecture Notes on Electrical Engineering) of Springer: http://www.isve.in/ContentUploaded/adminive/file/Final%20Paper%20list%20to%20be%20published%20in%20Proceeding%20of%20INCCS%20in%20Springer%20book%20series%20LNEE.pdf and you can visit the top class accepted & published articles: www.springer.com/gp/book/9789811029981 and extended version of papers have been published by SCI Journals: http://link.springer.com/article/10.1007/s00542-016-2873-8 and some other extended version papers are in queue for publications in above listed journals. About ARTTC, Ranchi:- This is a Advanced Regional Telecom Training Centre of BSNL. It is 12 Km from Ranchi Railway station and 16 Km from Ranchi Airport. Ranchi is surrounded by hills, waterfalls, forests, and the other places of scenic beauty. Ranchi has a pleasant weather throughout the year. It is well connected by road, rail and air routes with all the major cities of India. The nearest airport and the railway station are in Ranchi. It has regular flight connectivity with New Delhi, Kolkata, Mumbai and Patna.

About ISVE & IETE: ISVE is non profitable registered society dedicated to serve the nation. It makes a bridge between industry and academia for organizing the workshops, summer/winter schools, short term courses, conferences, symposiums and seminars by which students, research scholars, faculties and scientists come together, work together and share their knowledge in recent development in engineering, science & technology[www.isve.in]. The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer and IT Professionals. The IETE focuses on advancement of the Science and Technology of Electronics, Telecommunication, Computers, Information Technology and related areas. Towards this end the Institution promotes and conducts basic engineering and continuing technical education programmes for human resource development. Both are together committed to innovative research, publications in recent trends in electronics & communication engineering[www.ieteranchi.org][www.iete.org].

Registration:
1. Registration fee includes conference kit, breakfast, lunch, dinner and accommodation charges for two days.
2. Please download the Registration Form from the mail-attachment/website and send scan copy of filled Registration Form with NEFT receipt through e-mail for early registration. Sponsorship Opportunities:

We welcome sponsorship from companies and organizations who wish to show case their products and services and have the opportunities of networking with academics and practitioners in the field. With a truly global audience the conference provides an excellent opportunity for you to show your support for ongoing research and academic excellence by being
involved with such important event. Academic institutions may choose to use sponsorship as a vehicle to promote their Masters and Ph.D. programmes. We also welcome sponsorship of specific activities in the conference programme. We believe that sponsoring a conference provides a superb vehicle to showcase your commitment to academic excellence and pursuit of knowledge. Your company will benefit from interaction with a highly focused, motivated, engaged and respective audience in a relaxed environment.
